Texas Renegade is a Dutch band that plays authentic American Country music. The band was founded in 1997 and has been performing to packed dance halls and festivals for the last 12 years. The band also finds time to record original material and has several CD's to their credit.

From the first note of a show to the last, Texas Renegade breathes out the American way of life through their music in a very enthusiastic and convincing manner. The skillful and energetic musicians combine with the warm voice of the talented singer to deliver exactly what is needed to leave an audience wanting only one thing: more! Texas Renegade Lead Singer [Jeroen van Welie](#) has become a Semi-Finalist in the widely watched Dutch TV-Show "Holland got Talent" – and that with Country Music. This can be looked at as quite an achievement. Texas Renegade does also convince with quality musicians.

Many performances in Europe are proof of that organizers have great interest and faith in this fine band. Expanding their market from Holland to include Belgium, Germany, France, Austria, Switzerland, Spain, Scotland and the USA shows that this band is serious about what they do and that they deliver each and every time they take the stage. Texas Renegade has performed at many festivals famous for their high standard in quality musical entertainment. Texas Renegade has entertained crowds at festivals in Craponne (FR), Floralia (NL), Thurso (UK), Bad Ischl (A), Kötz (D), and Interlaken (CH) or the longest running Country Festival in the World, which spans over 6 weeks with 5 performance days a week - the Albisgüetli Festival in Zürich. That's just a very few of the festivals where Texas Renegade has performed over the last 12 years.

The live repertoire of Texas Renegade contains soulful and heartfelt original material along with covers from Dale Watson, Merle Haggard, George Strait, George Jones, Garth Brooks, Johnny Cash and James Intveld. The cover material is carefully chosen. Only the songs that reflect the band's view on life, or life as it should be, make it to Texas Renegade's set list.

Whether you prefer to tip your hat back and listen to Country music as it should be or kick up your heels and dance, dance, dance, Texas Renegade has you covered. You, too, will become a fan!
